

ACA-SOUTHERN REGION  
PAST CHAIR'S REPORT  
LITTLE ROCK, ARKANSAS  
OCTOBER, 2008

As your past ACA-Southern Region Chair, I am pleased to report that I have completed the following:

- Updated the current ACA-Southern Region Directory and ACA-Southern Region Leadership Handbook so that each is current.
- Issued a Call for Nominations for ACA-Southern Region Chair Elect; pursuing the Nominations and Elections process for this position.
- Followed-up with ACA leaders and staff to insure the ACA By-Laws Revision Request (pertaining to our regional function) is considered at the October, 2008 ACA Governing Council meeting.
- Communicated with our current ACA-SR Chair, Jeffrey Freiden, regarding our Strategic Thinking process and its continuation.
- Circulated newly created Southern Region documents, such as the ACA-Southern Region Convention Resume and ACA-Southern Region Chair-Elect Survival Guide, among the Southern Region Executive Committee, trying to insure these are 'institutionalized' for future ACA-SR Leadership.
- Promoted a smooth transition process among ACA-Southern Region Leaders.
- Closely consulted with our current ACA-SR Chair, Jeffrey Freiden; serving as a resource, if/when needed.

Respectfully submitted,

*Jeff*
