

## Positive Things to Do While Waiting to Get a Job

- Certificates
  - There are some certificates out there which will add value to your resume
  - Addictions, Conflict Resolution, Technical Writing are just a few that most agencies need/want
- Go to the library
  - Get some books on interviewing and job search strategies, make sure you have covered all of your bases; also get some books out that are fun
- Volunteer
  - It's amazing how a volunteer position can lead to a real paying job; and even if it doesn't you are helping others and spending less time worrying
- Enjoy your time off; soon you will be back at work!
