**ACA/American Red Cross**
**Foundations of Disaster Mental Health Training**
Thursday, March 24, 8:00 am – 4:00 pm
For ACA members, Earn 6.5 CEs

**NOTICE:** Pre-registration required!

In a disaster environment, mental health services are in high demand and ACA often helps in the deployment of trained professionals to the disaster site. To take this free course, you must meet these qualifications:

1. You must be licensed for independent practice by a State Counseling Licensure Board. Counselors in a two-tier state must be licensed at the higher, independent practice level; or a school counselor or school psychologist who has successfully completed a masters or doctoral degree and holds a current state license or state certification.
2. You must have a valid practicing license at the time of training.
3. You must be a current ACA member.
4. You must pre-register. No onsite registrations can be accepted.

**Class size is limited.** Contact Debbie Beales at dbeales@counseling.org or 800-347-6647, x306 today to receive your registration materials. All registration materials and other required information must be received and approved by the Red Cross before acceptance to the training is granted.
