they are either in compliance or that they need to review their Bylaws. Further, that the APGA Ethics Committee be charged to develop for the July 1983 Board of Directors a plan of action, including a time table, for revising the APGA "Procedures for Handling Grievances and Ethical Violations". Item #2, Add a comma (,) after staff member, in line 1. Item #4, Omit "early retirement" in 4(a) and "etc." in 4(b). It is further proposed that the trial policy be implemented in FY 1984, and that APGA staff report a summary of their experiences with the policy, to the Board of Directors at its March 1984 meeting. Motion passed.

83-29 - Resolutions on Continuing Expenses in Next Fiscal Year - Bank and Auditor Arrangements

Western Region representative Norma Jean Gates was unable to attend the Board meeting. It was requested that she be represented during part of the meeting by Bernadine Craft, who is currently a Western Region Senator and will come on to the Board of Directors in 1983-84. Because the Bylaws provide that a person cannot serve on both bodies simultaneously, a special motion was required for her to be seated at this Board meeting.

It was moved by Dash and seconded by Stude that: In view of the fact that Bernadine Craft is currently a retiring member of the APGA Senate, that Bernadine Craft fulfill the
position of Board of Directors member for the Western Region on Saturday, March 19, 1983, at the Board of Directors meeting in Washington, D.C., in place of Norma Jean Gates. Motion passed.

83-56 - Membership Dues

It was moved by Peer and seconded by Nylander that: The Board of Directors approve the $5.00 membership dues increase as recommended by staff, effective July 1, 1983.

It was moved by Roland and seconded by Scott that: The Board of Directors go into Executive Session for discussion and vote on a dues increase. Motion passed. The Board went into Executive Session at 3:30 p.m. on March 19, 1983 and remained in Executive Session until 4:25 p.m. at which time it was moved by Weikel and seconded by Stude that: The Board move out of Executive Session. Motion passed, and the Board continued its discussions in open session.

In action during the Executive Session, the motion that a $5.00 dues increase be approved had been tabled by a vote of 14 for tabling to 12 against.

In further action during the Executive Session, It was then moved by Diamond and seconded by Gross that: The APGA Board of Directors direct APGA staff to prepare for the July 1983 Board meeting supporting data relevant to the possible need for a dues increase - such information to include membership gain/loss projections - based on (1) a $5.00 dues increase, and (2) a $3.00 dues increase. Motion defeated (10 for; 16 against).
Following the return from Executive Session to open meeting, it was moved by Peer and seconded by Hylander that: The Board remove from the table the motion to approve a $5.00 membership dues increase, effective July 1, 1983. 83-57 - Appreciation and/or Commendation

It was moved by Herr and seconded by Forsyth that: The APGA Board of Directors commend the APGA Convention leadership for the excellence of its planning and preparation for the 1983 Convention in Washington, D. C. On behalf of all APGA members in attendance at the convention, we extend our appreciation for a job well done. Motion passed by acclamation.

It was moved by Cooley and seconded by Dash that: The Board of Directors express appreciation to Mary Janicke for her dedicated and efficient service to the Board of Directors and to APGA through the years. Motion passed by acclamation.

It was moved by Hylander and seconded by Mable that: According to the theory of aerodynamics as may be readily demonstrated through wind tunnel experiments, the bumblebee is unable to fly. This is because the size, weight and shape of his body in relation to the total wing spread make flying impossible. The bumblebee, being ignorant of these scientific truths, goes ahead and flies anyway - and makes a little honey every day. Because Chuck Lewis chose to be a bumblebee and has made a little honey every day and thus APGA has become the dynamic organization that it is today, we move that the Board of Directors commend Chuck Lewis for his diligent dedication to our Association. Motion passed by acclamation.

It was moved by Mable and seconded by Hylander that: The Board of Directors commend Dr. Charles L. Lewis for the quality of the document entitled "Some Future Possibilities for Counseling, Human Development and the American Personnel and Guidance Association." Dr. Lewis' contribution to the future of APGA is genuinely appreciated and recognized. Motion passed by acclamation.
It was moved by Herr and seconded by Forsyth that: On behalf of the President, Past President, President-Elect, and President-Elect-Elect that the 1982-83 Board of Directors be commended for its professional skill and commitment. The Board's dedication and maturity in resolving substantive issues facing the Association has been extremely valuable and greatly appreciated. Motion passed by acclamation.

83-62 - Awards Committee

The report of the Awards Committee was noted, and it was stated that recipients of the awards will be honored during the annual convention banquet. There was no Board of Directors action indicated concerning this Committee.

83-64 - Executive Committee

It was moved by Scott and seconded by Young that: The Divisional and Regional representatives to the APGA Executive Committee communicate to their Divisional and Regional constituents the important issues that arise during such meetings that will require decisions by the Board of Directors at their next meeting. Motion passed.

83-65 - Nominations and Elections Committee

The Board noted the report from the Nominations and Elections Committee. There was no action required regarding this Committee.

83-66 - Nominations and Elections Rules

It was moved by Helwig and seconded by Peer that: The APGA Election Campaign Policies be approved as edited: In Item II, c. after announced add: "at the close of the annual convention"; and in Item II, e. after Branch Presidents add: ", and published annually in the GUIDEPOST immediately preceding the APGA convention." Motion passed.
It was moved by Strother and seconded by Remacle that: The
APGA Human Rights Committee be requested to contact Divisions to
ascertain Divisional activity that pertains to human rights
issues and coordinate Divisional activity with the efforts of
the APGA Human Rights Committee. Motion passed.

03-74 - Convention Sites for the Future

It was moved by Lipscomb and seconded by Bennett that: The
1987 APGA Convention be held in New Orleans April 22-25, and the
1988 APGA Convention be held in Chicago March 20-23 as recoin-
mented by the Convention Manager.

It was moved by Pinten and seconded by Helwig that: The
motion on the floor regarding Convention sites for 1987 and 1988
be separated into two separate issues. Motion passed, and the
two years were separated.

It was noted that a decision to hold a future Convention in
New Orleans was dependent upon the Senate taking action to re-
scind its earlier action to prohibit holding of Conventions in
states that have not ratified the Equal Rights Amendment. By
consensus, the phrase "assuming action by the APGA Senate re-
scinding its previous Equal Rights Amendment resolution" be
added to the motion.

Vote was called for on the motion which now reads: That
the 1987 APGA Convention be held in New Orleans April 22-25,
assuming action by the APGA Senate rescinding its previous Equal
Rights Amendment resolution. Motion passed (2 against).

The second part of the motion was declared to be on the
floor. The motion read as follows: That the 1988 APGA Conven-
tion be held in Chicago March 20-23 as recommended by the Con-
vention Manager. Following discussion, with the approval of the
maker and seconder the motion was withdrawn.

It was then moved by Pinten and seconded by Hable that:
The Board of Directors requests that the APGA Convention staff
investigate the facilities and cost of a convention site in
Denver, Boston and Chicago for June dates in 1985 and also for
Spring dates, with a report to be given to the Board of Direc-
tors at its July 1983 meeting. Motion passed.

tion and Standards Committee

be taken on this report.

Motion passed.

83-101 - APGA Staff Salary Administration Program

It was moved by Helwig and seconded by Nable that: APGA's request for release of staff salaries be referred to the Financial Affairs Committee in light of the following pending actions: (a) President Washburn's research of other associations' policies in this area, (b) selection of a new Executive Vice President, (c) study of the issues of confidentiality of staff salaries as contained in the APGA Personnel Manual, and (d) rendering of opinion by legal counsel. A report is to be presented to the subcommittee dealing with budget matters at the July 1983 Board of Directors meeting by then Past President Washburn. Motion passed.
