It was moved by Casey and seconded by Mable that: The Board of Directors adopt the two recommended convention policies on (1) convention headquarters designations and division rotation and suite assignments, and (2) convention discount rate, with the following change: On page three, item III B, first paragraph, between "the staff" and "will resolve" insert the words "in consultation with the Division, Region or Committee". Also, after "resolve" add "the situation".
Following considerable discussion, it was moved by Locke and seconded by Strother that: The motion on the floor be tabled. Motion passed (15 for; 11 against), and the motion was tabled.

It was moved by Grimes and seconded by Helwig that: The previously tabled motion regarding Convention policies be removed from the table for immediate discussion. Motion passed and the motion was again placed on the floor.

It was determined that in order to take action on the several parts of the motion on the floor, it would be necessary to defeat the motion as presented, and then to present separate motions on the three different sections. Vote was then taken on the motion that: The Board of Directors adopt the Convention policies with the following change on page three: In section III B. the first paragraph, add between "the staff" and "will resolve" the words "in consultation with the Division, Region or Committee", and add at the end of that sentence the words "the situation. Motion defeated unanimously.

It was moved by Helwig and seconded by Thomas that: The Convention Discount Rate, as outlined in the June 15, 1984 memorandum of Dr. McDonough to the AACD Board of Directors be approved. Motion passed. The Convention Discount rate as approved by this motion reads as follows:

As a follow-up to the June 4, 1984 joint meeting of AACD officers and staff with similar representatives of California ACD, I am proposing that the Board of Directors approve the initiation of a discount rate of 10% for every member or non-member who attends both his/her annual state branch meeting and the annual AACD Convention held in that state. This applies only if the state branch wishes to participate in such a promotional offer and it only affects those states in which the AACD convention is held. The discount only applies to early bird or advance registrations, not on-site. I propose this discounted rate be effective with the New York City Convention in 1985 assuming concurrence by the New York State Counseling Association.

Rationale: This was one of the proposals emanating from the meeting with CACD officials in Los Angeles. I recommend approval of this proposal for the following reasons:

1. It will lessen the financial impact on a state branch's convention by having our AACD annual meeting in that same state.
2. It will promote better relationships between AACD and a host state branch.
3. It will be an additional incentive for members and non-members to attend both meetings.
4. It is a direct benefit to the convention attendee.

It was moved by Casey and seconded by Craft that: The Board of Directors approve the Convention Policies on Career Placement, as presented. Motion passed. (The Convention Policies on Career Placement, as adopted by this motion, are attached to these Minutes as Appendix A.)

It was moved by Casey and seconded by Mable that: Divisions, Regions, and Organizational Affiliates are offered on a space available basis, exhibit space at "no charge" at the national convention, either in the exhibit area or as an extension of membership services. This is intended to supplement, not replace, the current system. It is expected that the booth will be staffed during all exhibit hours.

Following considerable discussion of this motion, it was moved by Jones and seconded by Helwig that: The question be moved on the motion on the floor (that a vote be taken). Motion passed.

Vote was then called for on the motion to offer exhibit space at "no charge" to Divisions, Regions, and Organizational Affiliates. Motion defeated (6 for; 21 against).

It was moved by Grimes and seconded by Wilmarth that: AACD Staff take the necessary steps to offer beginning with the 1986 convention four AACD booth spaces that all Divisions/Regions/Affiliates may use. Motion passed.

It was moved by Thomas and seconded by Wilmarth that: The hotel rotation schedule for conventions be referred to the Divisions for discussion and feedback to the next AACD Board of Directors meeting. Motion defeated (12 for; 14 against).

It was moved by Drier and seconded by Grimes that: The costs for the 1985-86 and beyond Presidents-Elect and Regional Chairs-Elect travel and per diem to participate in the Pre-convention Planning meeting at the future convention site be budgeted as a line item within the AACD Pre-convention Development Budget. Motion defeated.
It was moved by Helwig and seconded by Williams that: The AACD Staff is requested to present data to the Board of Directors at the New York Convention, for that convention and the preceding four, as to what proportion of individuals who advance register, check off the Division rebate item. **Motion passed.**

BE IT FURTHER RESOLVED, That this Committee be charged to report to the AACD Board of Directors the current state of certification in our Association, problems and strengths of existing structures and relationships, and specifically to establish long-range directions for the structure of certification for the counseling profession in the future. The Committee should keep in mind the professional needs of AACD members and the profession. This report with recommended proposals for Board of Directors (Governing Council) action should be presented to the Board of Directors (Governing Council) by its Summer 1985 meeting.

84-172 - Association Logo

It was moved by Remacle and seconded by Schafer that: The Board of Directors adopt Recommendations No. 1 and No. 3 of the Ad Hoc AACD Committee on Logo Review. Motion passed. The recommendations as adopted by this motion are as follows:

Recommendation No. 1: The Ad Hoc Committee on Logo Review recommends that we maintain the current logo.
Rationale: Other Associations that are involved in the helping professions use similar logos (i.e., National Rehabilitation Association, National Organization on Disability). The logo communicates the development aspect of AACD. The logo is being reviewed and/or used by several State Branches and Regions. The Committee was concerned about the financial aspect of changing the logo. The Committee wanted to keep this logo since the public had begun to associate it with AACD. The Committee also was updated on the detailed process which led to the present logo.

 Recommendation No. 3: The Ad Hoc Committee on Logo Review recommends that the following process be adopted for future review of the logo:

1. A Logo Review Committee be established in the specified review years. This Committee should include members of the AACD Executive Staff and representatives of the general AACD membership.
2. The Logo Review Committee will be charged with the following responsibilities:
   a. Review present logo.
   b. Solicit input from general membership for ideas if it recommends a change in the logo.
   c. Solicit design ideas from other appropriate sources (i.e., design firms).
   d. Project cost associated with logo change.
   e. Recommend several logos to specified Subcommittee of the Governing Council.
3. The specified Subcommittee of the Governing Council will review the recommended logos and select one logo to be recommended to the Governing Council.
4. Specified Subcommittee will recommend one logo to the Governing Council for approval.
5. After approval by the Governing Council, AACD Staff will phase in the logo over a two year period in order to minimize expenses associated with the change.

Rationale: The Committee felt it was very important that a review process for the logo be established which would insure participation by the members and the Governing Council.
