88-1 – Meeting Rules, Adoption of

It was moved by Helwig and seconded by Hardy that: The Governing Council Meeting Rules for the conduct of this meeting be approved as presented. Motion passed.
88-2 - Agenda, Approval of

President Nejedlo called attention to the meeting agenda that had been given to the Governing Council prior to the meeting. By agreement of the body, several items were moved or added and assignment of new items to subcommittees was made. It was then moved by Whitledge and seconded by Welch that: The Governing Council approve the agenda for the July 1988 meeting of the AACD Governing Council, as revised. Motion passed.

88-3 - Minutes of Last Meeting

It was moved by Collison and seconded by Hurt that: The Minutes from the Governing Council meeting of March 17-19, 1988 be approved. Motion passed.

88-4 - President's Report, President-Elect's Report, and Past President's Report

President Nejedlo called attention to his written report. In addition, he commented on the need to continue to address government structure and strategic planning for the association. Dr. Nejedlo also discussed his attendance at the recent international meeting in Finland and stressed the importance of collaboration with other associations. This report was for information only and no Governing Council action was required.

President-Elect Hansen noted her written report and commented on some of the points in that report. Dr. Hansen briefly outlined her plans and goals as she begins to move into her year as President-Elect and on into the Presidency a year from now. This report did not require any action by the Governing Council.

Past President Collison called the Governing Council's attention to his written report and added some comments on his activities and on the activities he intends to pursue during the coming year, particularly in the areas of strategic planning, nominations and elections, and governance structure. Dr. Collison's report was for information only and did not require any Governing Council action.

88-5 - Treasurer's Report

Treasurer Nancy Scott reported on the financial condition of the Association and commented on several points in the proposed budget for FY 1989 that is being submitted for Governing Council action at this meeting. Dr. Scott outlined the method by which the AACD budget is constructed and the parts played by the Financial Affairs Committee and others in the construction of the budget. The Treasurer's report did not require any action by the Governing Council, since consideration of the FY 1989 Budget falls under a separate agenda item.
Executive Director McDonough called attention to his written report and commented on several points contained in that report. Dr. McDonough noted a number of activities and programs which are being carried out by the headquarters office and commented on the status of those. He further responded to questions from the floor regarding some of those activities. This report was for information only and there was no action required by the Governing Council.

Attention was called to written reports that had been received from Divisions and Organizational Affiliates. In addition, Division representatives to the Governing Council were invited to make further comments if they so desired. These reports were for information only and did not require any Governing Council action.

The Governing Council's attention was called to written reports that had been received from the Regions. Regional representatives to the Governing Council were also invited to comment further on those reports if they desired to do so. The Regional reports were for information only and no Governing Council action was required.

It was moved by Geigen and seconded by Cosse that: The Governing Council approve the Plans of Action for the North Atlantic Region, Southern Region, Midwest Region, and Western Region. Motion passed.

The Governing Council considered the "Convention Guidelines for the Regional State Branch Leadership Meeting" that had been submitted as an agenda item. The Governing Council subcommittee assigned to this topic recommended no action on this item and instead, asked that this go back to the Regions at the Leadership Meeting to be held in September 1988. The subcommittee indicated that there was not proof in the material that all four Regions are in agreement with the statement as it appears. There was no formal Governing Council action on this matter.

It was moved by Whitledge and seconded by Dickinson that: The concerns and recommendations under the Agenda item on Inter-Divisional Communication having to do with convention planning be referred to the AACD Director of Convention Planning. It is acknowledged that these recommendations have been addressed and given priority by Convention Planning Committees in the past. Motion passed.
It was moved by Weikel and seconded by Albrittain that: The Governing Council approve the Budget and Plan of Action as submitted by the Bylaws Committee, and recommend that this Committee work closely with the Strategic Planning Committee. Motion passed. (The Budget referred to in this motion is that as recommended by the Financial Affairs Committee.)

It was moved by Carpenter and seconded by McCormick that: The Executive Committee be empowered to approve the Bylaws of the Colorado Association for Counseling and Development, contingent upon the revisions recommended by the AACD Legal Counsel. Motion passed, and these Bylaws will be referred to the Executive Committee when the necessary revisions are received.

It was moved by Evenson and seconded by McCormick that: The Governing Council approve the Bylaws of the Texas Association for Counseling and Development as presented, with the direction that the Texas ACD identify on its letterhead its status as a branch of the American Association for Counseling and Development. Motion passed.

It was moved by Weikel and seconded by Albrittain that: The Governing Council approve the Bylaws as submitted by the Association for Adult Development and Aging. Motion passed.

It was moved by Carpenter and seconded by McCormick that: The Governing Council refer the proposed Bylaws amendment to Article V, Section 4 (to make the Executive Committee responsible for conducting the Executive Director's evaluation) to the Bylaws Committee. Motion passed. This proposed amendment would add a new subsection to Article V, Section 4 to read as follows:

The Executive Committee shall be responsible for conducting the evaluation of the Executive Director on an annual basis, for negotiating renewal of his/her contract, and for determining the recommended salary of the Executive Director which will be included in the annual budget of the Association.

It was moved by Albrittain and seconded by Evenson that: The Governing Council send the following proposed Bylaw changes to the Bylaws Committee: (1) Article II, Section 1(b)3 be amended as follows: [at the end of the existing subsection, add the following language: (Membership in the Association automatically confers membership in the State Branch chartered in the jurisdiction wherein the member resides. Each State Branch shall receive a per capita rebate from the Association in the amount to be determined by Governing Council. The same principles of unified membership and unified dues shall be followed in the case of State Divisions.)] (2) Article II, Section 2(b) be amended as follows: (delete all references to Branch dues.)
(3) Article IV, Section 3(a) be amended as follows: [at the end of the existing subsection the following language is to be added: (Branch membership is automatically conferred upon acceptance of a membership application and payment of dues to the Association, and does not exist apart from membership in the Association. Branches may not collect dues independent of the per capita rebate they receive from the Association.)] Motion passed. (It was noted that the intent was to refer these proposed amendments to the Bylaws Committee without recommendation from the Governing Council.)

88-12 - Resolutions

It was moved by Sweeney and seconded by D. Brown, Mehrens, Hill, J. Smith and Miranti that: The Governing Council adopt the proposed resolution as presented through the Ethics Committee (Unified Comprehensive Ethical Standards and Enforcement Procedures). Motion passed (1 abstain). The Resolution, as adopted, reads as follows:

WHEREAS, Ethical behavior and practice are keystones of our profession; and

WHEREAS, State credentialing bodies will increasingly bring attention to appropriate and inappropriate professional behaviors and judgements of counselors/human development specialists; and

WHEREAS, AACC and its constituent organizations current Ethical Standards and procedures are not unified nor sufficiently comprehensive for the settings and circumstances in which counselors/human development specialists now practice;

THEREFORE, BE IT RESOLVED, That the Ethics Committee be charged with developing a comprehensive, unified set of Ethical Standards and Procedures which encompass the various settings, clientele, and circumstances in which counselors/human development specialists practice including clear, legally sound procedures for revision of the Standards and their enforcement by our Association.

It was moved by Hurt and seconded by Helwig that: The proposed Resolution concerning the NBCC Examination be received and referred to the Licensure Committee for their consideration. The Licensing Committee recommendations should be presented to the Governing Council at its March 1989 Meeting. Motion passed.

It was moved by Helwig and seconded by Geigen that: The Governing Council adopt the proposed resolution on Training of Elementary School Counselors as revised. Motion passed. The resolution, as adopted, reads as follows:

WHEREAS, Many states are mandating that there be elementary counselors in the schools; and

WHEREAS, The American School Counselor Association recommends the ideal ratio of counselor to students be one to 100 with the maximum ratio being one counselor for every 300 students; and
WHEREAS, There is a shortage of trained elementary school counselors; and
WHEREAS, School district policies are including programs for helping at-risk students; and
WHEREAS, Prevention activities coordinated by elementary school counselors are a keystone to substance abuse prevention, suicide prevention, drop-out prevention and delinquency prevention programs; and
WHEREAS, There is growing recognition of the need for developmental programs for all students K-12 in academic, personal, and career development;

THEREFORE, BE IT RESOLVED, That AACD recognize and emphasize that there is a critical need to train elementary school counselors within the next five years; and
BE IT FURTHER RESOLVED, That the appropriate funding be sought at the Federal level to accomplish this training; and
BE IT FURTHER RESOLVED, That this resolution be referred to the AACD Executive Director and appropriate staff to work with the Government Relations Committee to focus on this critical school counselor issue; and
BE IT FURTHER RESOLVED, That a progress report be presented to the President of ACES prior to the ACES Conference in St. Louis.

It was moved by Helwig and seconded by Geigen that: The Governing Council approve the resolution on Collaboration with NASW and NASP, as revised. Motion passed. The resolution, as adopted, reads as follows:
WHEREAS, Our nation's schools are the first point of reference shared by most of our children; and
WHEREAS, The school experience has the capacity to positively influence not only our youth's intellectual development but their physical, social, and psychological development as well; and
WHEREAS, It has been demonstrated that when non-instructional support systems are instituted at the elementary school level and continue throughout formal schooling, the incidence of under achievement, school alienation, and other symptoms of adolescent distress are significantly reduced; and
WHEREAS, Trained pupil service professionals, such as school counselors, social workers, and school psychologists are particularly skilled in providing these services through an organized team approach that can supplement the efforts of classroom teachers; and
WHEREAS, These professionals are also able to work effectively with parents and members of the community to assure that each child can access the resources needed to develop fully;

THEREFORE, BE IT RESOLVED, That the American Association for Counseling and Development President pursue AACD participation in a collaborative effort with the National Association for Social Work and the National Association for School Psychologists that
results in a position paper outlining the appropriate roles that each of these pupil services personnel assumes in the delivery of vital support services to students; and

BE IT FURTHER RESOLVED, That a school counselor designated by ASCA will be involved in the development of this position paper and before the position paper is distributed, it will be presented to and adopted by the ASCA Governing Board.

It was moved by Hurt and seconded by Geigen that: The Governing Council adopt the proposed resolution calling for the Appointment of a Person with a Disabling Condition to the Convention Planning Committee.

Motion passed. The resolution, as adopted, reads as follows:

WHEREAS, AACD is committed to promote and defend the human rights of all persons,

THEREFORE, BE IT RESOLVED, That AACD appoint a person with a disabling condition to the AACD Convention planning committee to assist in the review of convention facilities and program room assignments in order to better meet the needs of persons with disabling conditions.

It was moved by Helwig and seconded by Cosse that: The Governing Council adopt the proposed resolution concerning Changes in Tax Laws.

Motion passed. The resolution, as adopted, reads as follows:

WHEREAS, AACD is a national professional association in the field of counseling and human development consisting of approximately 55,000 members; and

WHEREAS, Members of the Association attend professional meetings and conventions at the state, regional, and national level for the purpose of learning, skill development, and renewal, and for the purpose of association governance; and

WHEREAS, Places of employment often do not have adequate funds available to cover travel expenses for their employees, so that often these employees must travel at their own expense or receive at best only partial reimbursements; and

WHEREAS, The Tax Reform Act of 1986 no longer allows for the full deduction of unreimbursed employee business expenses as an adjustment to income on Form 1040, but requires that they now be listed under miscellaneous deductions on Schedule A - Itemized Deductions, and are limited to the amount in excess of two percent of adjusted gross income; and

WHEREAS, Many persons will now lose most or all of their deductions for unreimbursed travel expenses;

THEREFORE, BE IT RESOLVED, That AACD support changes in tax laws that will allow a more favorable treatment of employee business expenses on Federal tax returns, and direct the efforts of its government relations workers to seek this end.

It was moved by Helwig and seconded by Cosse that: The Governing Council adopt the proposed resolution on Collaboration Efforts Among
Humanitarian Associations. Motion passed. The resolution, as adopted, reads as follows:

WHEREAS, We believe that all persons have the right to be educated, to be treated equally, to solve problems, and to be productive members of society; and
WHEREAS, There are many young and older adults who have not completed their formal education; and
WHEREAS, Societal changes necessitate continuing education for all persons; and
WHEREAS, The activities of the American Association for Counseling and Development and adult education associations involve lifelong learning for high school drop-outs and adults of all ages;

THEREFORE, BE IT RESOLVED, That the American Association for Counseling and Development and adult education associations internationally work together in a spirit of thinking globally and acting locally by supporting each others' humanitarian, political, and economic efforts which are directed toward positive change and the development of human potential.

88-18 - International Relations Committee

It was moved by Sheldon and seconded by Salmon that: The Governing Council approve the Plan of Action and Budget of the International Relations Committee as amended by the Financial Affairs Committee. Motion passed.

88-20 - Ethics Committee

It was moved by Miranti and seconded by J. Smith that: The Plan of Action of the Ethics Committee be revised to incorporate the Resolution on Unified Comprehensive Ethical Standards and Enforcement Procedures, and that the Executive Committee be empowered to approve the new Plan and release the total budgeted funds (global amount) to the Committee. Motion passed.

It was moved by D. Brown and seconded by Mehrens that: The document regarding divisional framework for ethical standards be referred back to the Ethics Committee to be reconsidered in light of the resolution regarding the reformulation of ethical guidelines and procedures. Motion passed.

88-21 - Position Papers

It was moved by Mable and seconded by Barr that: The Governing Council approve the proposed AACD Position Statement on AIDS as revised. Motion passed. (The Position Statement on AIDS, as approved, is attached to these Minutes as Appendix A.)
It was moved and seconded that: The Governing Council endorse the goals of the Campaign to End Hunger and Homelessness as stated in the June 28, 1988 letter to Executive Director Patrick J. McDonough. Motion passed. (The June 28 letter referred to in this Motion is attached to these Minutes as Appendix B.)

88-22 - Women, Committee on

It was moved by Barr and seconded by Beck that: The Governing Council approve the Plan of Action and Budget (as amended by the Financial Affairs Committee) for the Committee on Women. Motion passed.

88-24 - Journal of Counseling and Development

It was moved by McCormick and seconded by Carpenter that: The Governing Council approve the proposal to publish the Journal of Counseling and Development every two months (six issues yearly) to begin in September of 1989. Motion passed.

88-25 - Membership Categories

It was moved by Jepsen and seconded by Stockton that: Before taking any action on the possibility of establishing a Professional Membership category, that the President assign (through existing mechanisms) the tasks of examining eligibility requirements for AACD individual membership and presenting a specific proposal to the July 1989 meeting of the Governing Council. Motion passed.

It was moved by Solomon and seconded by Salmon that: The provisional divisional membership program be continued for an additional two years. Motion passed.

88-30 - Association Budget

It was moved by Helwig and seconded by Hurt that: The FY 1989 AACD Budget be approved.

It was moved by Sweeney and seconded by Weikel that: The motion be amended to charge the Executive Committee with making any adjustments necessary to balance the Budget by reviewing options such as per diem, hotel double occupancy and President's discretionary fund, while considering the concerns expressed for equity among the individuals and programs affected. Motion passed.

Vote was then called for on the motion that: The FY 1989 AACD Budget be approved. Motion passed.
88-40 - Licensure Committee

It was moved by Hill and seconded by D. Brown that: The Governing Council approve the global budget for the Licensure Committee contingent upon (A) submission of the 1987-88 report of activities; and (B) a re-focusing of the Mission of the Committee to focus upon (1) dealing with sunset legislation, (2) the need for increased licensure for specialties within the counseling profession, (3) developing linkages between licensure and freedom of choice legislation, (4) developing a data base regarding the impact of licensure legislation, (5) the special needs of states not yet licensed, and (6) extending licensure to regulate other than private practitioners. The Executive Committee is empowered to approve the new Plan of Action and release the funds to the Committee. Motion passed.

88-41 - Government Relations

It was moved by Dickinson and seconded by Footman that: The Governing Council approve the Government Relations Plan of Action and proposed Budget as recommended by the Financial Affairs Committee.

Following some discussion, it was moved by D. Brown and seconded by Beck that: The Government Relations Plan of Action and Budget be referred back to the Governing Council subcommittee presenting the motion for further study and to report back to the Governing Council on the final day of this meeting. Motion passed, and the motion was so referred.

At a later point in the meeting, it was moved by Dickinson and seconded by Whitledge that: The Governing Council accept the Plan of Action and Budget of the Government Relations Committee as proposed by the Financial Affairs Committee with the following revisions: (1) increase the budget by $2,000.00 over the Financial Affairs Committee recommendations; and (2) that the Government Relations Committee Chair re-order priorities to provide funding for the training of fifteen people. Motion passed.

88-53 - Governing Council Meeting Procedures

It was moved by Collison and seconded that: The Agenda be altered to convene in Executive Session for thirty minutes to consider matters of personnel after which the Governing Council can return to agenda items, and that all unfinished items at the time of adjournment be referred to the Executive Committee with power to act for the Governing Council. Motion passed. (Following the adoption of this motion, the group moved into Executive Session and at the conclusion of that Executive Session, additional items of business were discussed until the adjournment time.)
Parliamentarian Douglas Gross discussed parliamentary procedures and meeting rules with the group and distributed information on the handling of various types of motions. The Parliamentarian’s report was for information only and did not require any Governing Council action.

88-80 - Association Direction/Mission/Strategic Planning

It was moved by Hardy and seconded by Noel that: The Governing Council accept the statement on "Common Values for the Association" as revised by Subcommittee Six. Motion passed. (The "Common Values for the Association" statement is attached to these Minutes as Appendix D.)

It was moved by Rencken and seconded by Richmond that: The Governing Council adopt the Strategic Planning Committee Plan of Action and Budget as revised, with a total budget of $11,670.00. Motion passed.

It was moved by Rencken and seconded by Hardy that: The Governing Council direct the Executive Committee to clearly identify specific problems related to organizational structure in dialogue with divisions and regions and to begin the process of identifying alternative solutions. Motion passed.

It was moved by Rencken and seconded by Hardy that: The Governing Council adopt the "Commitment to AACD Structural Assessment" and that the President seek endorsement of this "Commitment" by constituency groups. Motion passed unanimously. The statement adopted by this motion reads as follows:

Commitment to AACD Structural Assessment
Pursuant to the mandate of the "3-2-1" governance plan, AACD now commits, in good faith, to a structural assessment as part of a strategic planning process. We support the AACD mission and commit to a process of open dialogue and positive conflict resolution, reflecting the statement of common values of the Association.

88-89 - Financial Affairs

It was moved by Hurt and seconded by Geigen that: The Governing Council approve the Plan of Action and Budget of the Financial Affairs Committee as recommended by the Financial Affairs Committee. Motion passed.
88-97 - Financial Policy

It was moved by Canon and seconded by Cosse that: It shall be the practice of the Association to reimburse lodging costs at the double occupancy rate. Exceptions to this practice will ordinarily include reimbursement for central office staff, the President, President-Elect, Past President and such other exceptions as may be authorized by the President. This policy to be effective September 1, 1988. Motion defeated (12 for; 19 against; 2 abstain).

It was moved by Canon and seconded by Cosse that: Elected officers of the Association shall not be reimbursed for travel costs (i.e., air or ground transportation) associated with attendance at the national convention. This action supersedes any previous practice or policy regarding such reimbursement and will become effective July 1, 1989.

A motion was made and seconded that: Vote be taken on the motion on the floor by a roll call vote. Motion for roll call vote defeated.

Vote was then taken on the motion that: Elected officers not be reimbursed for travel costs associated with convention attendance. Motion defeated.

88-100 - Executive Director

Nominations were received for the election of a representative from the Governing Council to the Executive Director Evaluation Committee. Vote was then taken on the persons nominated and the person chosen to represent the Governing Council on the Executive Director Evaluation Committee was Martha Salmon.

It was moved by McCormick and seconded by Evenson that: The Executive Director's Evaluation Committee be the AACD Executive Committee and that this be specified in the Executive Director's new contract. Motion passed.

It was moved by Collison and seconded by Robinson that: The Governing Council approve the salary recommendation for Dr. Patrick J. McDonough for the third year of his current contract as recommended by the Executive Director's Evaluation Committee and contained in the letter from Collison to McDonough dated June 13, 1988. Motion passed.

It was moved by Collison and seconded by Robinson that: Dr. Patrick J. McDonough be offered a one-year contract as Executive Director of AACD under an employment agreement which includes revised language describing responsibilities which include the performance areas described in the letter of June 13, 1988 from Collison to McDonough. Motion passed. (Note: This contract to initiate August 1, 1989.)
88-101 - AACD Staff Salary Administration Program
